SEMINAR ON HEALTH CARE

A seminar on how the Affordable Care Act will affect small businesses will be held on Wednesday, March 27 at 2 p.m. at the San Bernardino Employment Resource Center, 658 East Brier Drive, Suite 100 in San Bernardino. The event is open to businesses.

Business owners can learn the insurance requirements and tax impact specific to your business. It is a chance to discover quick and long-term solutions and actions that can yield a benefit from these changes, which go into effect in 2014.

The free event is sponsored by San Bernardino County's Workforce Investment Board.
